# Report Card Pick-Up Parent-Teacher Conferences

Thursday, March 22, 2018  
4:00 p.m. – 6:45 p.m.

Dear Parents:

On Thursday, March 22, 2018, we will conduct "Report Card Pick-Up" and "Parent-Teacher Conferences" from 4:00 p.m. to 6:45 p.m. in both gyms. **Please note that this is a regular attendance day for students.** All teachers will be available for parent-teacher conferences in the gyms and no appointments are necessary. Please come to pick up your student's report card and stop by to see his/her teachers. We know that communication with parents is essential in order to better serve our students and improve student achievement and behavior.

This day is designed to offer you the opportunity for one-on-one discussions with your student's teachers and help you determine where and what your student's strengths and weaknesses are in each class. We will also work with you and offer possible strategies to help your son/daughter succeed if they are struggling. Your child's growth and development is one of our primary goals and this day is another way that we can work together for his/her success. All counselors and the social worker will be available throughout the day.

I hope to see as many parents as possible. As always, feel free to call if you have any questions.

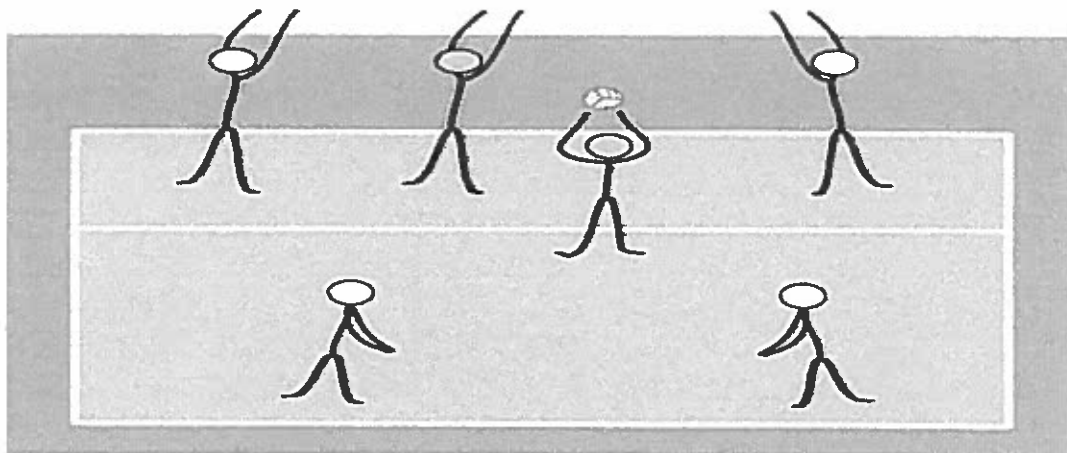

Sincerely,

*William J. Sanderson*

Principal
