

August 2024

Dear Mustangs:

As the Athletic Director of Evergreen Park Community High School, I would like to welcome you to the 2024/2025 school year. We have been hard at work preparing for this school year!

Online registration for our fall sports is available on our website schools.snap.app/EvergreenParkHS. If you previously have registered for any of our athletic programs that log-in is still valid but you will need to update your information for the current school year as well as select the sports that you are planning to try-out for. If you have not created a log in just visit the website and select the registration tab to get started. A current physical must be on file in the Athletic Office no later than the first day of tryouts.
